

September 7, 2009

The Virginia Chapter of ASID is very excited to announce the return of the sponsorship program for 2010 events. With the support of sponsors past & present we have been able to continuously hold successful events.

We are presenting you with five sponsorship level opportunities. The enclosed program sheet enumerates the various benefits at the different levels of sponsorship. The options range from recognition at **all** Virginia Chapter ASID events . . .to hosting a regional meeting. . . to providing raffle prizes for an event.

Your annual contribution at any level will provide recognition of you and your company and networking opportunities with a wide variety of designers.

In Virginia there are over 500 members and students attending our events, receiving our mailings, and accessing the Virginia Chapter website (www.asidva.org). Their design specialties include commercial, residential, healthcare, facility management, hospitality, etc.

Another way to become a part of ASID is to join as an Industry Partner member that allows you to receive first choice of events and a discount on sponsorships. For more information, please contact us at 804-370-5616 or asidmail@yahoo.com.

We look forward to helping you promote your business while helping the Virginia Chapter of ASID to continue to provide quality programs. Enclosed you will find a sponsor form, which should ideally be returned before November 1, 2009 but can be finalized at any time.

Thank you for your support!

A handwritten signature in black ink that reads 'Lisa M. Tucker'.
