# ASID VA Designer Spruce-Up

Looking for a great gift idea for Mother's or Father's Day? Here is your chance to have a 2 hour consultation with a professional ASID interior designer.

**Designer Spruce Up** is an opportunity for our professional and allied members to contribute to the benefit of our chapter while educating the public on the advantages of working with an interior designer.

**EVERYONE WINS.** This program is an opportunity for consumers who are looking for a designer, or who would not ordinarily seek the services of a designer, to experience our valuable design services no matter how large or small their projects.

**The Spruce Up** is the major fund-raiser for our chapter, therefore we are asking all designers to volunteer your time, whether you specialize in residential or commercial design.

**Designers** may keep a copy of the client interview form for personal follow up.

**Fees** received are used by our chapter for future programs directly benefiting our membership.

### PLEASE DO YOUR PART FOR OUR CHAPTER. VOLUNTEER TO DO CONSULTATIONS!

This is an opportunity for our entire membership to benefit. Please contact Kim Schoenadel at [kschoenadel@ksaintinteriors.com](mailto:kschoenadel@ksaintinteriors.com) or (804) 527-0131 if you have any questions. When filling out your volunteer sign up form. Please fax your form to our chapter administrator at (804) 360-7627.

#### HERE IS HOW EASILY IT WORKS:

All designers fill in the sign up form posted on the Web site ([www.asidva.org](http://www.asidva.org) >downloads) or call 804-360-9757 to request an enrollment form.

Clients call the chapter office to request design consultations. Participating designers contact their assigned clients immediately to schedule a one or two hour consultation at the client's home, or at the designer's studio (which ever works best for the client). Appointments are scheduled within a reasonable time after the initial contact.

Appointments are limited to one to two hours at the special Spruce Up rate of \$75.00 per hour. Beyond two hours, clients must pay the designer's normal hourly fee directly to the designer.

Checks payable to ASID are to be collected by the designer at the conclusion of the appointment and the client is asked to sign the waiver on the interview form.

The designer then forwards the completed interview form and the fees directly to our chapter administrator:
